About the Program

In an effort to accelerate the return of large meetings and events all over the country and enable a secure and seamless meeting experience, **CLEAR is offering exclusive pricing to members of select industry associations and organizations** to assist with industry-wide adoption of a consistent approach to health monitoring across the meetings industry.

CLEAR Health Pass provides employees and attendees with a seamless way to upload proof of vaccination or negative COVID-19 tests enabling a secure and safe return to in-person meetings and events.

This partnership program presents an opportunity to help restore confidence and enhance convenience as business travelers increase their attendance at various meetings throughout the year.

With over 130+ trusted partners at venues all over the country, **the application is easy and free for attendees and implementation is turnkey for meeting planners and event hosts.**
