REIGNITE IN-PERSON BUSINESS MEETINGS AND EVENTS

• Business travel is still 56% below pre-pandemic levels, impacting the overall travel industry’s recovery. @MOCHandle—it’s time to reignite these valuable face-to-face connections and restore this critical segment of the U.S. economy. #DCH22

RESTORE INTERNATIONAL INBOUND TRAVEL

• It’s time to restore int’l travel. @MOCHandle, we need your help. With pandemic-era restrictions in place, int’l travel can’t fully recover. Tell @POTUS to remove pre-departure testing requirements so we can start welcoming the world back to America. #DCH22

• Don’t delay! Congress can help RESTORE travel demand by allowing the federal mask mandate for public transportation to expire on April 18. @MOCHandle—we need to end-pandemic era restrictions now. #DCH22
