
2017 Travel PAC Auction

Thursday, July 27

How Does It Work?

The Travel PAC Auction will take place during U.S. Travel's summer board of directors meeting in Colorado Springs, CO. We encourage all U.S. Travel members to join the effort by donating packages to be auctioned off during this fun-filled event. All of the proceeds from the auction will benefit Travel PAC. Please help by filling out the form on the back of this page and returning it to U.S. Travel by **June 26, 2017**.

Can My Organization Donate a Package?

Yes! Organizations and corporate entities are permitted to contribute packages for the auction. Monetary contributions to Travel PAC must be made using personal funds but donations of goods and services for the auction are legally permitted.

Why Should My Organization Support the Auction?

Having a strong political action committee (PAC) is essential to elevating the travel industry's relevance in Washington. Your contribution helps raise much-needed funds that are used to elect Members of Congress who are supportive of travel-friendly policies. Contributing packages for the Travel PAC auction also provides visibility for your organization amongst nearly 200 of the travel industry's top executives from across the nation.

What Kind of Items Do You Accept?

Vacation packages, fine wines and rare liquors are typically the most popular items in the auction each year. However, we accept any package that you think would be valuable to the U.S. Travel board of directors. Jewelry, art and exclusive experiences are often contributed, as well.

Do I Ship My Contribution In Advance?

Please do **NOT** ship your item in advance. Due to liquor laws and logistical issues we ask that you please **HOLD** your item until after the auction. In early August, we will send you the winning bidder's contact information to directly ship your item to the winner.
