A GUIDE FOR COMMUNICATING HEALTHY TRAVEL PRACTICES TO TRAVELERS

Travelers are encouraged to always exercise healthy travel habits when traveling.

During seasons with a higher risk of illness, like U.S. flu season, travelers should adhere even more strongly to healthy travel practices.

HEALTHY TRAVEL PRACTICES

- Wash hands often
- Cough into your elbow and sneeze into a tissue
- Consult with a doctor before traveling when sick
- Stay up-to-date on vaccinations
- Avoid contact with people who are already sick
- Avoid contact with animals while traveling
- Be aware of latest travel advisories from the Centers of Disease Control and Prevention and U.S. State Department
