The coronavirus (COVID-19) public health crisis is having an unprecedented impact on the travel industry and the entire economy. Now more than ever, the travel and tourism community must come together, support each other and remind our country that even through the most difficult times, the Spirit of Travel cannot be broken.

There’s no doubt times are difficult; we all feel far apart, and daily schedules have been thoroughly disrupted. During #nttw20, embrace the #SpiritOfTravel: Take a moment to remind your employees, colleagues and local partners how important they are to you, your business, your community and your visitors.
