FALL 2.0 SOCIAL GUIDE

This year, don't be caught without a mask. Whether you're heading out of town or out the door make sure you **#WearAMask** so you can **#TravelConfidently**.

Leaving home without a mask? Now THAT'S scary. In order for everyone to **#TravelConfidently**, we must all do our part. **#WearAMask**

Don't lose your healthy travel habits as the temperatures drop—continue to **#WearAMask**, wash hands regularly and keep a safe distance. **#TravelConfidently**

Shorter days and cooler temperatures means more time indoors. If you're spending time inside, but away from home, make sure you bring your mask—and wear it correctly. **#TravelConfidently**
