

## SAMPLE ACTION ALERT TO MEMBERS OF CONGRESS

Dear [MEMBER OF CONGRESS],

As your constituent and a member of the COVID RELIEF NOW Coalition, I am writing to urge you to advance legislative relief measures that can pass both chambers **immediately**.

[INDUSTRY] is one of the hardest hit industries by the economic fallout from coronavirus pandemic. [INSERT INDUSTRY SPECIFIC DATA POINTS ABOUT ECONOMIC IMPACT, JOB LOSS]. While we are grateful for the relief provided by the CARES Act, it has not been enough to keep businesses afloat and those that were able to access relief in the spring are still in dire need of support. Thousands of businesses are in danger of closing their doors for good and millions of jobs are in jeopardy.

While we believe there is a great need for a comprehensive relief package, the time for a perfect solution has passed. The following are [YOUR ORGANIZATION'S NAME]'s top relief priorities, without which our prospects for recovery are bleak.

Our coalition represents a diverse cross section of our country and our economy, with the public and private sectors coming together to respectfully demand that Democrats and Republicans alike come together to pass additional COVID economic relief legislation. We all agree: every second that goes by without relief creates worse conditions for recovery, making it harder to bring back the jobs that were lost.

Please, there is not a moment to waste. Your continued commitment to service is needed now more than ever.

Thank you,  
[YOUR NAME, ORGANIZATION]
