SHUTTERED VENUE OPERATORS GRANTS

1. Includes government-owned museums, as long as they do not also operate other types of venues or engage in other types of activities. For more information, please see the [SBA's website](#).
2. Additional sector-specific requirements for eligibility applies. For convenience, only the additional conditions for live entertainment venues and museums are included in this factsheet—subject to pending SBA rulemaking.
3. For purposes of determining revenue, SBA will generally use gross revenue based on an accrual method of accounting. However, the law allows SBA to use alternative accounting measures for seasonal employers.
4. The same requirements apply to the parent company of the applicant. For purposes of determining if the parent company meets such criteria, general affiliation rules apply. However, grants will be provided to each eligible venue as if they were separate independent businesses.
5. For purposes of this program, any employee working 30 hours or more per week is considered a full-time employee. Employees working at least 10 hours, but fewer than 30 hours, per week will be counted as one-half of a full-time employee. Employees that work less than 10 hours per week are not considered an employee. For more information on how to calculate employee size, please see the [SBA's Shuttered Venue Grant FAQ](#).
6. There's an exception for venues owned or operated by a nonprofit entity that produces free events. However, the events must be produced and managed primarily by paid employees, not by volunteers.
7. The definition of museums includes aquariums, arboretums, botanical gardens, historic houses and sites, nature centers, planetariums, science and technology centers, and zoological parks. (See 20 U.S.C § 9172(1))
