

#TRAVELCONFIDENTLY

A shared responsibility.

The number one priority of every travel business is keeping you and your family healthy and safe. Though they may be implemented in different ways, each touchpoint during your trip is applying consistent enhanced cleanliness measures. As residents and travelers, join us and help provide a safe and healthy travel experience for everyone. When we all do our part, we all can **Travel Confidently**.

We encourage residents and guests to practice social responsibility to ensure we are collectively doing our part to mitigate the spread of coronavirus. *Guidance adheres to recommendations from the Centers for Disease Control and Prevention.*
