TRAVEL IS AN ECONOMIC ENGINE
Why Travel Matters to the District of Columbia

TRAVEL AND TOURISM WORKS FOR THE DISTRICT OF COLUMBIA
2018 Data

- Domestic and international travelers to District of Columbia spent $13.6 billion in 2018 and generated $2.0 billion to federal, state and local governments, dollars that help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.

- The 83,770 jobs created by travelers to District of Columbia in 2018 represent 15.7% of the state's total private industry employment.

- Without these jobs generated by domestic and international travel, District of Columbia's 2018 unemployment rate of 5.7% would have been 26.4% of the labor force.

- For every $1 million spent in District of Columbia by domestic and international travelers, 6.1 jobs are created.
