TRAVEL IS AN ECONOMIC ENGINE
Why Travel Matters to Illinois

TRAVEL AND TOURISM WORKS FOR ILLINOIS

- Domestic and international travelers to Illinois spent $41.7 billion in 2018 and generated $8.1 billion to federal, state and local governments, dollars that help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.

- The 342,300 jobs created by travelers to Illinois in 2018 represent 6.6% of the state’s total private industry employment.

- Without these jobs generated by domestic and international travel, Illinois’ 2018 unemployment rate of 4.2% would have been 9.5% of the labor force.

- For every $1 million spent in Illinois by domestic and international travelers, 8.2 jobs are created.
