TRAVEL IS AN ECONOMIC ENGINE
Why Travel Matters to Indiana

2017 Data

- Domestic and international travelers to Indiana spent $11.7 billion in 2017 and generated $1.7 billion to federal, state and local governments, dollars that help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.
- The 106,610 jobs created by travelers to Indiana in 2017 represent 4.1% of the state's total private industry employment.
- Without these jobs generated by domestic and international travel, Indiana's 2017 unemployment rate of 3.6% would have been 6.8% of the labor force.
- For every $1 million spent in Indiana by domestic and international travelers, 9.1 jobs are created.
