TRAVEL IS AN ECONOMIC ENGINE
Why Travel Matters to West Virginia

2018 Data
- Domestic and international travelers to West Virginia spent $4.3 billion in 2018 and generated $552.8 million to federal, state and local governments, dollars that help fund jobs and public programs such as police, firefighters, teachers, road projects and convention centers.
- The 38,650 jobs created by travelers to West Virginia in 2018 represent 6.9% of the state’s total private industry employment.
- Without these jobs generated by domestic and international travel, West Virginia’s 2018 unemployment rate of 5.2% would have been 10.2% of the labor force.
- For every $1 million spent in West Virginia by domestic and international travelers, 8.9 jobs are created.
