The U.S. Travel Association is the national, non-profit organization representing all components of the travel industry that generates $2.1 trillion in economic output. It is the voice for the collective interests of the U.S. travel industry and the association’s 1,350 member organizations. U.S. Travel’s mission is to promote and facilitate increased travel to and within the United States. For more information, visit www.ustravel.org or www.projecttimeoff.com.

PREFACE

This report documents 2015 and historical measurements of the U.S. travel and tourism industry detailing domestic and international inbound travel volume and the impact of travel on the U.S. economy, as well as the importance of the United States in global tourism. In addition, the report provides analysis on the performance of major travel-related industries in the U.S., such as airlines, lodging, amusement/recreation services and foodservice. Whenever possible, 2016 estimates are included. All data are current as of June 2016.

This report contains information from the best objective sources and analyses available to objectively portray the importance of travel and tourism to the U.S. economy.
