The ECONOMIC REVIEW of TRAVEL in AMERICA

2017 EDITION

U.S. TRAVEL ASSOCIATION
PREFACE

This report documents both 2016 and historical measurements of the U.S. travel and tourism industry. It details domestic and international inbound travel volume and the impact of travel on the U.S. economy, as well as the importance of the United States in global tourism. In addition, the report provides analysis on the performance of major travel-related industries in the U.S., such as airlines, lodging, amusement/recreation services and foodservice. Whenever possible, 2017 estimates are included.

This report contains information from the best objective sources and analyses available to objectively portray the importance of travel and tourism to the U.S. economy.
